VOLUNTEER HIGHLIGHT

God is so good. A dream has been realized. By the gracious gift of Renee & Joseph O'Kelly, we now have a sturdy, reliable ride for our dear herd members, our Real Happiness Mobil Unit. We are so grateful for this wonderful gift.

VOLUNTEERS

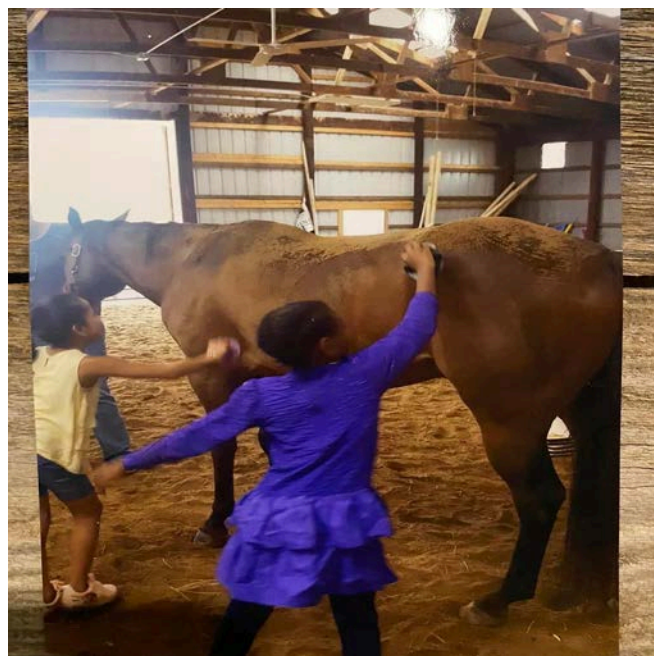

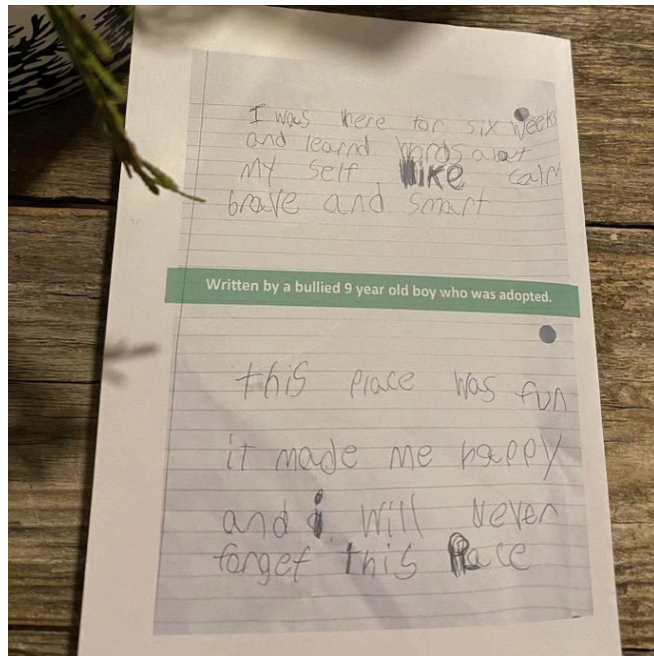

We're looking for fun fabulous volunteers to be on a committee for the Unity in Community Fundraiser this coming fall. Contact Deb VanderBand at director@equineassistddev.org for more details.

Savannah we congratulate you on the very many accomplishments throughout High School. You have also given four years of dedicated and committed volunteer hours to our morning barn crew and helped me personally taking care of the farm while we scooted away on weekends. We will dearly miss your smiling face, but your future is so bright, can't wait to see you grow into your purpose.
